Independent Auditor's Report on Applying Agreed-Upon Procedures

We have performed the procedures enumerated below, which were agreed to by the Virginia Lottery Department and the other member lotteries in the states of Georgia, Illinois, Maryland, Massachusetts, Michigan, New Jersey, New York, Ohio, Texas, and Washington (referred to as the "Member Lotteries"), which operate Power Play, solely to assist the Virginia Lottery and Member Lotteries with respect to the evaluation of the following financial information associated with Power Play: Virginia Lottery's sales and prize expense for the period January 31, 2010 through March 31, 2011, and the Virginia Lottery's receivable or payable as of March 31, 2011. This engagement to apply agreed-upon procedures was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the Virginia Lottery and Member Lotteries. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The agreed-upon procedures that we performed and our findings are as follows:

- A. We obtained from the Virginia Lottery the "Draw Activity" and the "Fixed Prize Analysis" reports for the period January 31, 2010 through March 31, 2011 and attached those as Exhibits I and II, respectively. We verified the mathematical accuracy of the schedules.
- B. We randomly selected the following seven Power Play draw dates from the period January 31, 2010 through March 31, 2011:

February 17, 2010 September 4, 2010 March 20, 2010 September 18, 2010 July 31, 2010 November 6, 2010 August 14, 2010

C. For each Power Play draw date selected in step "B" above, we compared the total amount of sales as shown on the daily sales report produced by the Virginia Lottery's gaming system and the total amount of sales shown on the related daily sales report produced by the Internal Control System (ICS) with the balance listed in the "sales" column for the respective draw date on the "Draw Activity" report attached as Exhibit I and found them to be in agreement.

- D. We calculated the total dollar amount of the fixed prizes for the draw dates selected in step "B" above, based on the total number of winners from the Virginia Lottery's gaming system for each prize level and the prize structure of the Power Play fixed prizes (as defined in the official game rules). We compared the calculated expense with the amount listed in the "Actual Fixed Prizes" column for the respective draw date on the "Draw Activity" report attached as Exhibit I and found them to be in agreement.
- E. For each draw date selected in step "B" above, we compared the amount of sales, actual fixed prizes, and share of fixed prizes shown on the "Draw Activity" report attached as Exhibit I to the amounts shown on the applicable Power Play Settlement Reports and found them to be in agreement.
- F. For the period identified, we randomly selected two months and obtained the "Expired Prize Settlement Report" distributed by the Virginia Lottery. For the two months selected (February 2010 and April 2010) we obtained from the Virginia Lottery's ICS the actual fixed prizes awarded, and the prizes unclaimed. We compared the ICS data back to the data reported from the Virginia Lottery for each draw of the subject months to ensure they are in agreement.
- G. We compared the amounts shown as the total of the actual fixed prizes and the total of the shared fixed prizes on the "Draw Activity" report attached as Exhibit I to the applicable amounts shown on the "Fixed Prize Analysis" report attached as Exhibit II and found them to be in agreement.
- H. We compared the total of the quarterly transfers to/from the Virginia Lottery for settlement of the shared prize liability as shown in the Virginia Lottery's cash disbursement subsidiary records to the amount listed in the "Qtrly/Yrly Settlements Transfers In/ (Out)" column on the "Fixed Prize Analysis" report attached as Exhibit II and found them to be in agreement.
- I. We compared the balance listed as the Virginia Lottery's payable/receivable as of March 31, 2011 for the fixed prizes as shown on the "Fixed Prize Analysis" report attached as Exhibit II to the Virginia Lottery's financial accounting records and to the Power Play Prize Settlement Report as of March 31, 2011 and found them to be in agreement.

We were not engaged to, and did not perform an audit or an examination, the objective of which would be the expression of an opinion on the specified financial information associated with Power Play. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
